

Husqvarna Crown Commitment™ Provides Satisfaction Guarantee on Professional Chainsaws

Husqvarna servicing dealers offering seven-day money-back guarantee on select chainsaws

CHARLOTTE (June 16, 2016) – [Husqvarna](#), the world's largest producer of outdoor power products and lawn care equipment, is launching the Husqvarna Crown Commitment™, a satisfaction guarantee that applies to all Husqvarna professional chainsaws purchased from a servicing dealer. Starting June 1, 2016, tree care and commercial lawn and garden professionals who are unsatisfied with their purchase of a qualified chainsaw may return their product to a dealer within the first seven days after their initial purchase for a full refund.

“Our chainsaws combine top-of-the-line performance with ease of use to perfectly fit the demands of professional landscapers and arborists,” said Walt Rose, national sales manager for commercial lawn and garden and tree care at Husqvarna. “We’re offering this guarantee so professionals can purchase a new chainsaw without any reservations, and we’re confident they won’t want to return one after using it.”

Chainsaw models eligible for this program include Husqvarna’s 300 and 500 Series as well as T Series models, which are designed specifically for tree care professionals. Products that have been resold, purchased online, purchased through unauthorized dealers or damaged due to improper use will not qualify for Crown Commitment™.

Some restrictions may apply; please contact a Husqvarna dealer for more details. To find a Husqvarna dealer offering the Crown Commitment™ guarantee, visit <http://www.husqvarna.com/us/dealer-locator/>.

About Husqvarna

Husqvarna Professional Products Inc. is a member of the Husqvarna Group. Husqvarna Group is the world's largest producer of outdoor power products including robotic lawn mowers, garden tractors, chainsaws and trimmers. The Group is also the European leader in consumer watering products and one of the world leaders in cutting equipment and diamond tools for the construction and stone industries. Founded in 1689 and celebrating over 325 years of engineering innovation, the Group's products and solutions are sold via dealers and retailers to both consumers and professional users in more than 100 countries. Net sales in 2015 amounted to 36.17 billion SEK, and the Group had 14,337 employees on average in more than 40 countries. High-resolution images and Web images are available at www.husqvarna.com/us.
