

Husqvarna Arborist Fleet Program Offers Volume Discount to Tree Care Professionals

Husqvarna servicing dealers offering 20-percent discounts on select chainsaw models

CHARLOTTE (June 16, 2016) – [Husqvarna](#), the world's largest producer of outdoor power products and lawn care equipment, is launching the Arborist Fleet Program, which provides commercial tree care and arborist customers with a volume discount on major purchases of new Husqvarna equipment. The program is available through Husqvarna servicing dealers nationwide.

"Successful tree care and arborist businesses supply their workers with the best equipment possible, and we're proud that many of these businesses will stock their entire fleets with our products," said Walt Rose, national sales manager for commercial lawn and garden and tree care at Husqvarna. "We greatly value our professional customers, so we've designed the Arborist Fleet Program to thank them for their continued loyalty to our brand."

Chainsaw models that qualify for the Arborist Fleet Program include:

- The [T540 XP® Chainsaw](#)
- The [T435 Chainsaw](#)
- All 500 XP® Series Chainsaws
- All 300 Series Chainsaws
- All 500Li XP® Battery Chainsaws

Tree care professionals qualify for an Arborist Fleet Program discount by accumulating points through the purchase of select chainsaw models. Each unit purchased is worth one point, and a purchase that totals at least three points is eligible for a discount of up to 20 percent.
